### ISETAN SCOTTS SUPERMARKET

#### EXCLUSIVE COLLABORATION

Using Thai Sing's Nonya Curry Paste, this is a Singapore-Japan collaboration whereby Isetan's popular Japanese fair vendors innovate to create exclusive treats that offer traditional Singapore flavour. From Nonya Curry bread, to deep-fried squid, and chicken cutlet, enjoy the unique Singaporean-Japanese flavours that you can't find anywhere else.

Besides the use of the Nonya curry paste which offers a spicy flavour that adults will enjoy, other ingredients include coconut, chicken, cashew nuts and potato. This bread is crafted for you to enjoy the texture of the ingredients by cutting the surface open, unlike the usual curry buns in Japan.
